

Sauber Mfg. Co. SMS Terms and Conditions

Costs of Text Messages

We do not charge you for the messages you send and receive via this text message service. However, message and data rates may apply, so depending on your plan with your wireless or other applicable provider, you may be charged by your carrier or other applicable provider.

Frequency of Text Messages

Fundamentally, SMS services are offered for the convenience of transmitting quick messages and photos from our customers to their representative. Unless an existing understanding is in place, we will not initiate text message conversations with you, and we do not use this service to engage in direct sales.

Opting Out of Text Messages

If you no longer want to receive text messages, you may reply to any text message with STOP. As a person-to-person communication service, opt-out requests are specific to each conversation between you and one of our employees and their associated phone number.
