To opt-in, call 630.365.6600 and someone can take your verbal request to opt-in or out. You'll be greeted with language similar to the following:

"Sauber Mfg collects opt-in verbally at their locations or over the phone. When a customer is registered for the first time, they are asked to provide the phone number, and staff is trained to ask if the customer would like to opt in to SMS-based notifications. They will be verbally informed that "Message and data rates may apply", "Message frequency may vary", and they can "text HELP for support or more information and STOP to unsubscribe at any time".
